📍 Sri Lalithambigai Medical College & Hospital  
Service Rd, Maduravoyal, Adayalampattu,  
Chennai, Tamil Nadu 600095

The State Conference of Anatomy, hosted by Sri Lalithambigai Medical College and Hospital under Dr. M.G.R. Educational and Research Institute, is envisioned as an academic forum dedicated to re-examining the role of Anatomy in Modern Medical Education. Centered around the theme “From Scalpel to Sensitivity: Redefining Anatomy Education,” the conference seeks to bridge classical anatomical teaching with evolving concepts of Ethics, Professionalism, Technology-Assisted Learning, and Compassionate patient care.

The conference will bring together Anatomists, Clinicians, Medical Educators, Researchers and students to deliberate on innovative teaching strategies, changing learner perspectives, and the enduring value of cadaveric education in shaping competent and empathetic healthcare professionals. Through keynote lectures, scientific deliberations, and interactive sessions, the meeting aims to inspire a progressive outlook toward anatomy education while preserving its foundational principles.

## **Objectives**

- To explore emerging trends and innovations in anatomy teaching and learning.
- To strengthen the integration of anatomical sciences with clinical and surgical practice.
- To highlight the importance of ethical values and humanism in medical education.
- To encourage collaborative academic exchange among educators, researchers, and clinicians.
- To promote reflective and student-centered approaches in anatomical training.
- To enhance awareness regarding the relevance of anatomy in contemporary healthcare and medical research.
